BIO

AZARIA BROWN

Pastry Coordinator

Owner of Primo's Choice Barkery

Meet Azaria, affectionately known as Zari, a rising star in the baking world! As the daughter of serial entrepreneur Alexis Streets, owner of a beloved bakery, Zari is embracing the challenge of carving out her own culinary path. With limited experience, she decided to start her journey with icing, taking her mother's cherished recipe and adding her own creative flair.

Zari's passion for baking has blossomed, particularly when it comes to cupcakes, which have become the bakery's shining star. Her dedication to expanding her skills and experimenting with new flavors has not gone unnoticed; her peers are always there to cheer her on and celebrate her successes.

In addition to her work in the bakery, Zari is also the proud owner of Primo's Choice Barkery, a venture dedicated to her beloved dog, Primo. This young entrepreneur is not only making a name for herself in the baking industry but also showcasing her love for animals. Alongside her younger brother Teddy, Zari has barked up an amusement tree with Primo's Choice Barkery, selling everything for dogs from clothing and collars to birthday cakes, cookies, doggy ice cream, and, of course, a variety of tasty treats, including peanut butter delights.

With her enthusiasm and talent, Zari is definitely on the right track, and her future in baking looks incredibly bright!
